**FOR IMMEDIATE RELEASE**  
May 7, 2010

---

## **Construction closures scheduled next week for the US 281 Super Street**

**Weather permitting; the following construction closures will take place.**

**For the period of - Sunday – Thursday, May 10-14, 2010**

### Intersection of 281 North and Evans Road (Northbound and Southbound lanes)

Crews will continue boring operations for placement of electrical conduit and work on installation of new traffic signals anytime between the hours of 8:00 a.m. and 4:00 p.m. Both Northbound and Southbound Lanes will remain open. Crews will also begin widening the roadway on the outside for the u-turn on the Northbound lane between the hours of 9:30 PM to 5:30 AM.

### Intersection of 281 North and Encino Rio (Northbound and Southbound lanes)

Crews will continue operations for widening of the center medians and begin installation of the new traffic poles which have been delivered. Both Northbound and Southbound left lanes at the intersection of 281 North will be closed from 9:30 p.m. to 5:30 a.m. for this work.

### Intersection of 281 North and Marshall Road (Northbound and Southbound lanes)

Crews will close the northbound and southbound right lane at the intersection of 281 North and Marshall Road from 9:30 p.m. to 5:30 a.m. excavating the rock face.

### *Previous week activity* **May 3- 7, 2010**

*Last week, Ballenger Construction Company continued operations for excavation of the rock wall for u-turn widening at Marshal Road, boring operations and placement of electrical conduit and work on the signal foundations at Evans Road.*

### **About the Alamo Regional Mobility Authority**

Overseen by a seven-member Board of Directors, the Alamo RMA includes a professional staff and consultant team that are committed to finding ways to empower our local community to take charge of our transportation future. The purpose of the Alamo RMA is to provide Bexar County with opportunities to accelerate needed transportation projects - through the direction of a local board making local choices about local mobility needs - that enhance the quality of life and economic growth for all residents in our region
